RE: Donation for Crocker Amazon Tile Project

The Excelsior District Improvement Association (EDIA) is making the enclosed donation of \$150.00 to support the wonderful work that has been done with the tile project at the Crocker Amazon Playground.

We are thrilled with the artwork, designed and installed by neighbors of the park, that will grace our neighborhood playground for years to come.

We wish to acknowledge the excellent work of Precita Eyes in coordinating the development of the design and the subsequent installation.

We particularly want to commend Grace D'Anca and Linda Harte who especially contributed countless hours as well as monetary support from their own pockets to ensure that the work was completed.

We thank everyone for the excellent work.

Sincerely,

  
Patricia DeVlieg, Vice-President EDIA
