Every domestic nonprofit, credit union and consumer cooperative corporation shall file a Statement of Information with the California Secretary of State, within 90 days after filing of its original Articles of Incorporation, and biennially* thereafter during the applicable filing period. The applicable filing period for a corporation is the calendar month during which its original Articles of Incorporation were filed and the immediately preceding five calendar months. A corporation is required to file this statement even though it may not be actively engaged in business at the time this statement is due. Changes to information contained in a previously filed statement can be made by filing a new form, completed in its entirety. * Credit unions and consumer cooperative corporations are required to file annually instead of biennially.

LEGAL AUTHORITY: Statutory filing provisions are found in California Corporations Code sections 6210, 8210, 9660, or 12570 and Financial Code section 14101.6, unless otherwise indicated. Failure to file this Statement of Information by the due date may result in the assessment of a \$50.00 penalty. (Corporations Code sections 6810, 8810, 9690, or 12670; Revenue and Taxation Code section 19141.)

FEES: The fee for filing the Statement of Information is \$20.00. Checks should be made payable to the Secretary of State. If this statement is being filed to amend any information on a previously filed statement and is being filed outside the applicable filing period, as defined above, no fee is required.

COPIES: The Secretary of State will endorse file one copy of the statement if an exact copy is submitted along with the statement to be filed. Copies submitted with the statement to be filed can be certified upon request and payment of the \$8.00 per copy certification fee.
